

## WANSFORD PARISH COUNCIL

Clerk: Derek Lea, 10 Thornton Close,  
Peterborough PE4 7UH Tel: 01733 572245  
Email: [clerksecretary@mandalea.co.uk](mailto:clerksecretary@mandalea.co.uk)

*Some of the issues we've been dealing with recently, as well as planning applications*

### **Hands across the water**

The Chairman, Tim Pearson, had a meeting with Peter Gatheral, the Vice-Chairman of Sibson-cum-Stibbington Parish Council to discuss closer co-operation over matters concerning both sides of the bridge, especially with a view to coping with the traffic problems expected when the Carpenters Lodge work gets under way.

### **Peterborough City Council Waste Plan**

The Waste Officer says that a link has been provided on the City Council website to view the comments received (amounting over 1,200). It is considered that owing to the number of comments a further round of consultation will need to take place possibly in late 2008.

### **Temporary gas flare at Thornhaugh 1 Quarry**

We considered that this would have no detrimental effect - a planning application will be required if a larger permanent flare is found to be necessary.

### **Grants**

Money is available from S106 attachments to planning applications and also from the Landfill Tax. Schemes need to have an environmental enhancement element to be successful. If any residents have any ideas please contact us.

### **Motorcycle Noise**

Motorcyclists have been using a local quarry and causing a noise problem. Police have visited the quarry, cautioned various riders and seized some of the motorbikes.

### **Parking at the Surgery**

East Northamptonshire Council have been contacted to say that we support the provision of an additional car park area. Extra measures to improve the safety of access to the surgery from Wansford Road have been requested.
