More detailed crime figures down to actual streets can be accessed at www.cambs.police.uk

What has been happening this month in Community Safety?

Cambridgeshire Constabulary

- Police in Peterborough are reminding motorists to take out their car documents before leaving their vehicle - over the past weekend several vehicles have been broken into, glovebox searched and thieves have removed items such as insurance documents, vehicle registrations and MOT certificates. These are items that should never be left in a car. With the rise in identify theft being brought to our attention through the media, car owners should think very carefully about leaving their personal details in a vehicle.
- Reminder! Do not leave your car running, unlocked and unattended when you are defrosting it in cold weather. This provides an opportunity for car thieves just to jump in.
- VEHICLE SECURITY ADVICE

Remove the temptation

1 Never leave anything on display in your car; even an old coat on the back seat is an invitation to a potential thief.

2. Take all your belongings with you when you leave your car, if you are unable to, lock them in your boot at the start of your journey.

3. The following items are of particular interest to the thief so should never be left in your car.

Mobile Phones, Laptops, Credit and debit cards, Receipts with card numbers on, Cheque books, Cash, Vehicle Registration Documents, Private mail showing your address.

4. Use security devices e.g. immobilisers, alarms etc.

- Stolen Goods

A lot of stolen goods are sold on to the public. If you are offered something that is too good to be true then it usually is. Stick to reputable shops and dealers. If you have any information regarding criminal activity particularly in relation to vehicle crime you can call your local police or Crimestoppers anonymously on 0800 555 111.

- SmartWater now available from Cambridgeshire Constabulary!

We are pleased to announce that SmartWater 'Instant' is now available to buy at a discounted rate from the Community Safety Department at Cambridgeshire Constabulary.

There are different size SmartWater kits available, according to the type of premises in need of marking. The most common use of the kits is for domestic purposes, which we have already piloted in homes around the Peterborough area. There are however larger kits available for businesses and schools of all sizes, depending on their individual needs.

Information on the SmartWater 'Instant' product can be found on their website www.smartwater.com, where they can also be bought at the full retail cost.

At this time, we will be selling the SmartWater marking kits at a heavily discounted rate to groups of five or more people.

If you are interested in purchasing SmartWater 'Instant' kits on behalf of a group, or would like more information on the promotion, please don't hesitate to contact the Peterborough Community Safety Unit on 01733 424434 or by sending an e-mail to:
